SSANZ 2023 Round North Island Yacht Race

Official SSANZ Advice:

This is a formal notification prior to the opening of entries for the 2023 Round North Island, that the SSANZ committee doesn't consider a SR 26 - a design capable of completing a Round North Island race, so therefore we will not be accepting any entries from yachts of this design in line with the eligibility provisions in the Notice of Race. If you are the owner of an SR26 - please do not be disappointed if you attempt to enter and any entry is declined on this basis.

Any yacht that enters the SSANZ RNI must meet the entry criteria as per the Notice of Race – in particular SSANZ Notes – Notice of Race Clause 3.6 - Each yacht must, in the opinion of SSANZ, be capable of safely taking part in the race, designs and construction may rule out some yachts that may otherwise meet other requirements
