Diagram: one square = hull length; show positions of boats, wind and current directions, marks.

at 13:14 the multihull flipped (freedom) as we (Hooters) was within close proximity of them we immediately dropped our headsail and lowered our motor to start it, we then radioed Coastguard and SSANZ race controller. at this point we turned around and went back to assist.

once we had enough outside assistance had arrived (pilot boat and SSANZ rib) we returned under motor to the same spot we suspended racing at this point it was 13:34 we radioed SSANZ to confirm we were starting racing again.
